

### S-Range

- **Sizes 5mm to 20mm, Other Forces available.**
- **Can be used as Contact or Tactile element only.**
- **S-Range Clik Domes are designed for PCB and Membrane Switch Applications.**
- **Available as Loose, "Pick 'N' Stick" or Dome Array's**

#### **Part Number      Size      Force (D) = Centre Dimple Type**

S5.4D-125	5mm	125g
